Three Peaks - 10 Years!!!

The 2006 Three Peaks Challenge, the tenth 'official' event since its revival in 1997, will take place on Saturday the 4th of November 2006 – demand for entries has increased each year and is undoubtedly going to be even greater in 2006. Entries will again be limited and it is our intention to have 100 *committed* entries by September latest (this limit is expected to be reached even sooner!). Everybody over and above the 100 will go onto a waiting list. Priority, with certain deadline conditions, will be given to those who have completed four or more Three Peaks Challenges and to all 2005 starters. No exceptions will be made. So ... don't be disappointed – enter early!
